Welcome to United Bank.

You'll find the terms of your credit card here. It's a contract that starts as soon as you sign or use the card. Detach this page and retain for your review and future reference.

For each underlined word or phrase, the definition in the Consumer Financial Protection Bureau Definition of Credit Card Terms is part of your contract.

These definitions are available at www.cfpb.gov or www.accessunited.com. You may call us at 770-567-7211 for a printed copy.

1. Costs

You may use your card for purchases, cash advances, or balance transfers. Each type of charge will have its own balance. Each balance may have a separate interest rate.

What are the charges?

Annual Percentage Rate (APR) for Purchases:

- Prime rate plus a margin of 12.74
- Prime rate plus a margin of 8.74
- Prime rate plus a margin of 4.74

Interest Rate on Cash Advances: Prime rate plus a margin of 12.74
Late Payment Fee: \$15

Your APRs will vary with the market based on the Prime Rate, except for the balance transfer APR. The Prime Rate is the highest bank prime loan rate as published by the Wall Street Journal in its Money Rates Section on the 15th day (or the next business day if the 15th is not a business day) of the calendar month preceding the first day of the billing period. If the Periodic Rate(s) and corresponding Annual Percentage Rate(s) increase, your interest charges will increase and your minimum payment may be greater. Your Purchase APR will equal the Prime Rate plus a margin of 4.74 to 12.74 and your Cash Advance APR will equal the Prime Rate plus a margin of 12.74.

What do I have to pay and when?

We will send your bill to the address on file. You agree to pay all authorized charges on the bill, including interest and fees. You agree to pay us for charges that we allow over your credit limits. You must pay at least the minimum payment by the due date stated on each bill. Your minimum payment will be 3% of your outstanding balance plus any applicable fees, or \$20, whichever is greater.

We choose which balances to pay with the minimum payment. We apply payments above the minimum to balances with the highest APRs first.

You must pay in U.S. dollars, without restrictive terms, and according to all the other standard payment instructions. Mailed payments should be sent to United Bank, P.O. Box 360, Barnesville GA, 30204.

How is interest calculated?

We calculate interest using the daily balance method with compounding. This means that interest compounds daily.

We will not charge you interest on purchases if you pay your full account balance by the due date each month. This is called a grace period. If you do not take advantage of the grace period, we will charge interest starting the day you make a purchase. If you do not pay your full account balance on time in any month you will lose your grace period until you pay your full account balance. You pay interest on cash advances or balance transfers from date of transaction.

What if I pay late?

If you don't pay at least the minimum payment by the due date, you'll be charged a late payment fee of \$15. In addition, if your account remains past due more than 10 days, your account may be suspended until payment is made.

In addition, if you make a late payment, you will be in default and you may be subject to interest rate increases.

2. Changes

We can change some of your rates and other terms in accordance with the law. This table shows some of the possible changes. Written notice will explain how changes apply. You cannot change the terms of this agreement.
